Q1

Of the total equity of Grameen Bank, X own 94%, and the remaining 6% is owned by Y. Identify X and Y.

A: X = The borrowers (the total number of whom is 6.67 million); Y = The govt. of Bangladesh

Q2

As per the terms granted in the document that Francis Day received from the Nayakas of Vijaynagar on August 22, 1639, Day and Andrew Cohen established something for the first time in the Fort St. Georges, Madraspattanam. What was that?

Ans: A Mint

Q3

He has a son called Che Kabir, because he wanted his son to be as big a revolutionary as Che. His father however told him that Che used violent methods, and thus the Kabir was added to convey "peace". Who is this follower of the Yin Yang philosophy?

A: Arindam Chaudhary

Q4

The ad line 'Make the most of your break' replaced one of the most durable and effective ad line of a famous product. The original ad campaign lasted 57 years. Which famous ad line was replaced?

A: 'Have a break. Have a Kit Kat'.

Q5

He famously said, "In the business world, the rearview mirror is always clearer than the windshield." Who said this?

A: Warren Buffet

Q6

He observed families riding on two-wheelers – the father driving the scooter, his young kid standing in front of him, his wife seated behind him holding a little baby. And this made him wonder. Out of these thoughts a product was born. Which product?

A: The Tata Nano car.

Q7

It is the highest-capacity office building in the world and largest by floor area. It houses approximately 26,000 employees. It has five floors above ground (plus two basement levels), and five ring corridors per floor with a total of 17.5 miles (28.2 kilometers) of corridors. Which building are we talking about?

A: The Pentagon

Q8

He is a Maltese psychologist and physician. He writes prolifically about a concept he pioneered. He is also a consultant, working with such companies as Coca-Cola and

Ericsson. An example of his unconventional thinking: In 2000 he advised a U.K Foreign Office committee that the Arab-Israeli conflict might be due, in part, to low levels of zinc found in people who eat unleavened bread, a known side-effect of which is aggression. He suggested shipping out jars of Marmite to compensate. Identify this person.

A: Edward de Bono

Q9

In 1951, the managing director of a well known brewery in England went on a shooting party and became involved in an argument. Which was the fastest game bird in Europe – the golden plover or the grouse? What resulted?

A: The Guinness Book of World Records

Q10

This unit of weight, which was prevalent since the days of the Mughals had different values for different commodities. For instance, in Azamgarh, it meant 80 tollas for weighing cotton, 95 tollas for ghee and salt and 115 tollas for corn. What unit is this?

Ans: Ser

IMPORTANT INFORMATION

- Please read the FAQ at <http://www.bangalorequizgroup.com/faq.htm>

***** Please note that Digest replies will not be entertained. You need to respond to a specific quiz and its quiz number (example: QUIZ # 010101) must be in the subject.

- There is a response limit of 4 quizzes / day. 3 out of those four responses must relate to current quizzes, and one response can be for any quiz that has appeared on BQG since its inception.

- If you do not follow the rules (example: you submit quizzes without cutting below the line) you may not get a reply. Therefore, please be careful and check before submitting the responses.

=====
The Bangalore Quiz Group reserves the right to refuse to
Send the answer to any quiz / quizzes without assigning
any reason for the same.
